

BC 05

patent

Sofa sitting comfort united with bed sleeping comfort

Comfort unfolds: sit, lie, relax on a comfortable base

- easy to operate thanks to patented technology
- metal construction for a durable function
- spring supported movement
- intermediate relax position by pulling out of the seat
- seat turns into footrest by pivoting forward
- legs fold out automatically, without castors on the floor
- sleep comfortably on ticking
- sitting-/sleeping level increase 15, 25 or 30 mm possible
